

EQUALIZER

The Equalizer is available in gas or electric models for a variety of cleaning applications. This fully featured vertical coil pressure washing system is equipped with a wide four-wheel stance that does not compromise mobility or versatility.

MODEL SPECIFICATIONS

FEATURES

- NEMA 4X electrical enclosure with rocker switch, thermostat control, and hour meter
- Large capacity diesel fuel tank
- Horizontal heat exchanger
- Stainless steel float tank (electric models)
- Four 13" heavy-duty tires for easy mobility and vibration dampening
- 35' GFCI electrical cord

INCLUDED ACCESSORIES

- Heat-resistant spray gun (up to 320° F)
- 48" lance with insulated grip and 1/4" QC
- 3/8" x 50' Steel-braided Armor Hose™
- High quality QC nozzles 15°, 25°, 40°
- Adjustable soap control (electric models)

PUMP

- Industrial triplex pump
- Direct or belt drive

MODEL SHOWN: 65063

* Optional Accessories (sold separately)

- 7110781 - Water separating diesel filter
- 7112623 - Chemical injector kit (gas models)

MODEL SHOWN: 65068

FRAME

- Heavy-duty steel frame
- Powder coated for corrosion resistance
- 1 1/2" Round tube design

DIMENSIONS

Depth	35"
Width	30"
Height	43"
